Stair Carpet Rods

REBERG stair carpet rods are designed in the shape of spheres or balls and blend perfectly into any space.

- Quick and easy installation.
- Practical—effortless removal and placement of carpets using the innovative REBERG click system.
- Elegant—screws are not visible.
- Perfect finishing—choose from HIGH GLOSS and/or BRUSHED MATTE.
- Top-quality—choose from stainless steel (metallic gray) or brass (golden yellow).
- Factory-direct best price depending on the length of the holder.
- We customize the length of the rods according to your measurements and ship it via fast mail.

**Polished and mat brushed variants
of our stainless steel fences**

Stainless steel gates

- Highly resistant to corrosion.
- Resistant to weather aging.
- Perfect surface finish.
- Attractive appearance and design.
- We install full automation with motorized opening on gates.
- We use motors with the longest warranty on the market—2.5 and 3.5 years.

OUR NEW PRODUCT

Grill grate *Simple Grill*

Easy and simple to use, the **Simple Grill** will become an essential part of all your picnics.

The grill grate is made of stainless steel, and along with the grate, you receive two adjustable rods (also made of stainless steel) so you can set the height yourself.

Assembly takes only about ten seconds, and the grill is ready for use.
